“ Jeff, Danielle, Bronson, Peyton, and Rhett, my heart is absolutely broken for all of you. Jennifer and your whole family have always been very special to our family. I don't know what I would have done without you guys there for me when Scott was deployed. Every time we came back to your house after we moved away was like we had never left. We shared the births of Peyton and Rhett with you, graduations, Christmas's, Easter's, 4th of July parties and just everyday life. Jennifer was like a sister to me and I will always be grateful for her friendship and love. She was such a vibrant person and Her laugh was so contagious. I will never forget it. There are now words to express our sorrow and our condolences. I am grateful she was my friend and she made life a better place for us all. I would give anything to be there with you all at this time of sorrow. Thank you for sharing her with my family. If there is anything at all we can do for you all please don't hesitate to ask. We love you all and are grieving with you. Take comfort in knowing how many lives she touched, she was truly an amazing, wife, mother, grandmother, daughter, friend, and so much more to so many people. We like e you all, hugs from Florida.
