“ My heart is so heavy and I can hardly breathe at the loss of my dear friend. Conner, my heart goes out to you. I have been praying for you and your family as you continue on with life. Your Mother loved you more than words can express. She lived for you, Conner. You will live on through her. You have a great support system. Hang on to that and know that God is your comfort and peace. Blessing to you and your family.

“ Ray and Wanda, My heart breaks for your family and especially Connor. I admired Jennifer for raising Connor alone and course with your support and love. She was so proud of that boy as she should have been. Jennifer and I would sometimes comment on each others post on FB. My thoughts and prayers are with you all in this loss.
