“Mrs. Jennifer was such a sweet and funny lady. She was so wonderful to my daughters on the bus. She always called them “my babies” and always looked out for them and made them very comfortable on the bus. She started out with my oldest starting kindergarten (now in 3rd and still was her bus driver) to this year starting my youngest in kindergarten who she has watched grow since she was 2. Riding the bus with Mrs. Jennifer was literally her favorite thing about starting school. We are all shocked by this sudden loss and the girls are grieving in a way they never have. They will forever remember you as their favorite bus driver. You will be very missed, Jennifer, and I will miss our talks and laughter we’ve had through the years. We will meet again one day in Heaven. Condolences and prayers sent to all of Jennifer’s family.

“Jennifer was truly one of the kindest people I’ve ever met. Her laugh was unforgettable, and I’ll always cherish how she affectionately called me ‘Miss Jenn.’ I’ll never forget her warmth—or her delicious homemade blueberry pie.
