“ Jennifer is my cousin on my father's side. one of the last memories I have of Jennifer is her leaving my dad's house Christmas 2018. She gave me a hug and we said something like...see ya next year..and I never thought that would be the last time. i would see her well I hold that memory as precious because I don't think I had ever gotten a hug from her. Jennifer was a beautiful person inside and out. She was quiet but took it all in. She and Mark were the most wonderful couple to know. Mark talked, and talked and talked, and Jennifer would sit and listen and roll her eyes in a loving kind of way when he was done. The other memory I cherish is the one at her mom and dad's house on new years eve 2008-2009. Bill, Carol and I were there and the kids all seemed so happy and carefree. It was a lovely time to share with family.

Matthew and Even, I know you will do your best to honor your mom. Mark, you will always have her in your heart. I am so sorry she is gone from this earth. You two made two wonderful sons and I will be praying for all of you! . I love you all. Thank you for the sweet memories of Jennifer that we got to share with you!!
