“ Barbara, So sorry about Jerry, he has always been one of my favorite people. Wish I had known he was ill so I could have shared with the class for cards and calls, I sent out the obit today. Hope I get to make the visitation as I am taking care of Glenn who is recovering from prostate surgery. I thought Miss Eva was still living, prayers to a great family.

“ Barbara, what a shock to see Jerry's picture on the notification from Austin and Bell of a death. I am so sad and heartbroken to read this news. I feel for you so much and Miss Eva as she talked about Jerry all the time and so looked forward to your visits. He was such a good, kind hearted man and I am pleased to have gotten to know both of you during my stays at NHC. I had more surgery on July 22 and another infection from it which was a deep skin infection treated with an IV which I gave to myself here at home. Right now I am battling a sciatica problem in my hip and leg I have a care giver 5 days a week and am going to doctor's only. My son got married last weekend and I was given shots and stronger medication to make it through that. So in short, I will not be able to attend visitation or the funeral. Please know that I care and that I am thinking about you and Miss Eva. Give her my love. God bless you and be comforted by His love and strength. In His Grace, Nancy
