“ I am so sorry. I cannot imagine the depth of your sorrow. My prayers are with you.

I have such good memories of the four of you. We've never had such good neighbors.

Peace be with you!

“ Jerry was a good friend who served as a mentor, teacher and father figure to me during my time at the Stone Nashville plant. Whether it was how to sell a box, swing a golf club, or something else, he always tried to help and looked out for my best interests. I am very upset that I will not be able to attend the upcoming service to honor Jerry and offer my sincere condolences, in person, to Sharon and her family. I will dearly miss him.
