“ Jerry was a good community leader. He volunteered his time to set up the lights for the little league baseball teams when it was decided by the board to add 11/12 year olds to the league in pleasant view and continued to support the teams.

“ I was just informed of Jerry passing.
It has been years since I have seen or spoken to Jerry BUT I think of Him often especially if it has anything to do with Electrical Work. I could go ON and ON about ALL the EXPERIENCES we shared together.
Let me just say,
IF I CALLED JERRY, HE WOULD BE THERE NO MATTER WHEN OR WHERE..
Janice, Andy and Kristen I am VERY SORRY for Y'all's LOSS BUT just like me, there are PLENTY of PEOPLE who will say, IT IS PEOPLE YOU FORGET AND NOT FRIENDS and Jerry will NEVER BE FORGOTTEN..

“ I taught Jerry in sophomore English at Cumberland High in the 60's. He was one of the finest students whom I taught. Many years later he located me on Facebook and began to call quite regularly. He was always such an encouragement about how grateful he was to have been in my class. Those calls were, and still are, very special to me. My deepest sympathy to all of youH, his family. May God hold all of you near His Heart.

P-Joe and I were high school friends. I spent many good times with him. Although, I have not seen P-Joe for over 5 decades his memory remained strong in my mind. We both grew up in the Scottsboro Community and my family and were close. I pray for his family and treasure his memory. Rest in peace, P-Joe.

“ Jerry was brilliant, hard working, loved his family and shared his Faith. He taught me much about his invention the Powerhouse and might sense I was not following and then give me an object lesson! I am thankful I knew him and his family. Prayers for Janice, Andy, Kristen and the girls.
