“ *Oh my brother Jimmie. I believe you did not appreciate when I came around. After all, you were the youngest child and then I came six years later and the only girl with 5 older brothers so I took your spotlight Well you managed to adjust. I remember when I was a crazy teenager and would run off in a car that one of our family members left in the driveway (with the keys) and you didn't rat me out to Mother. My first time in an airplane was with you and it was great. Happy skies. You will be missed greatly ❤️❤️*
