“ I am beyond saddened to learn of Jim’s passing. He was one of the best! He always had a joke to tell. He was always nice and kind and I simply adored him. He treated me with kindness and respect and well like family. I truly loved Mr. Slate, he was like family. I bet he’s in heaven sitting at the dessert table. The next time I see him I am sure he will have plenty of jokes to tell. Until we meet again, RIP. You’re going to be terribly missed until then. I wish I knew that last time I saw you it was going to be the last, I would have given you a double order of banana pudding! Love you dearly, Michelle

“ *Dear Joe and Kathy and family, I wish there was a way that I could click my heels together and provide you some comfort, but I know that just doesn't work. Since I lost my Dad almost 25 years ago I reflect on the positive; you had your Dad in your life through some great things. He was able to see grandkids grow, and his offspring become successful in life. He was able to influence you, and in turn all of the generations yet to come. He is leaving a legacy of honesty, integrity and hard work that is invaluable. He has made my life richer because even though I never met him, I met you all! You know we are all family, and that I am always here if there is anything that I can do. I love you all. - David*
