“ To The Shepard Family,
I have many fond memories of spending time with Joann and the girls. One was going to the fair parade. She was always so kind and caring. Please accept my condolences. I am thankful she is healed now.

“ I admired Joann's strength and determination to keep moving on even though she struggled to do so. Joann, I will so miss you during the mowing season as this left a direct view to all that passed by to see that handicap is only in our mind. You touched me more than you ever knew. Hopefully, you'll meet my father, he'll be the one with a hammer in his hand while your mowing the heavens. Don't worry about Buster I'll have me eyes set that direction and lending hand if needed.
