“ I had the pleasure of knowing Joanne a short time. We ate together in the evening. She was always smiling and she was a pleasure to talk to. She is certainly missed.

“ Fred and I are so thankful that we were able to get to know Mrs. Joanne a little bit while she was at Fieldstone Place. She was so good to check on my father-in-law, encouraging him to get out of his room and meet others. Whenever I would visit ..instead of encouraging HER...she would end up encouraging ME! Everybody LOVED her there because she had such a genuine way of caring for others. I loved her gusto for life! She would attend every activity that she could but BINGO I think was her favorite! She loved to win prizes and would give me that cute little grin while talking about it! She NEVER complained! (Well...maybe a little about the food!) I loved to watch her in the dining room. She would always sit at the same table and everyone there missed her when she couldn't make it!

Daron, Melissa, Grant, Isaac...what a treasure you had in your Mom/Granny. I know you will miss her because I sure do and she is not even my momma! I wish I could have had more time with her but I know where she is and to wish her back here after the glory in heaven that she is experiencing would be selfish! Our prayers are with you and know that you are loved.
