“ Aunt Joanne came into my life when I was in my early teens. Grammy and Grandpa Wantland took me on a road trip. We fished a river in organ I meet my cousins for the first time. They were so loving and accepting of me. Aunt Joanne realized pretty quick I wasn't a fisherman, so she took me under her wing and taught me to cook all kinds of different things and how to gut all the fish from the catch of the day. To this day I don't like to fish but I'll gut them just to see what they ate! She was one of the kindest women I've ever known. She lived her life in love at all times, I truly believe she showed how to love unconditionally during that summer fishing and in Tigered.

“ Joanne Holcombe was one of the most fun people on earth. And, to top that, she was kind and tender-hearted. I loved her and so did all of my family.  
My kindest wishes to her children, and all the many people who loved her.

Joanne was always so kind and accepting of all the activities of all the neighborhood kids in Tigard. Lots of boys going thru the house she would always have a sweet treat for them. And then there was the girls, junie, Karin & Brenda. So full of life & curiosity. My heart hurts for your loss Junie. Your mom was wonderful to my mom & they enjoyed sharing recipes and stories. Much love to you all.
