“ May Joe rest in peace. He's the only father I've ever known.\n Even though my name is not listed in the obituary. Because his wife, the woman who raised me hates me. Because I turned her into the police for abusing my children. The children that they said was theirs, Jasmine Jaden, Jacob, those are my children. His wife. Did not claim me in the obituary. That's fine, but if I don't exist, my children don't exist to you. I really do hope that Joe rests in peace. And I'm glad that he's not here to see the rat. That's about to rain down on Lyla. For abusing my children so bad that 1 of my other daughters is no longer here in existence, Jasmine, the one that preceded Joe. She died in their home in lila's care she couldn't stand lila at all, but she loved her Papa very much. Even though he wasn't really her papa
