“ Ms. Peggy, our hearts hurt for you and your family. I know their aren't any words that I could possibly say that would help mend your breaking hearts, but just know that there is no doubt where brother Joe is and he will be waiting for us there. I'm sorry I couldn't be there for you all in person and share great memories. Joe, Peggy, and other family members have had such a huge impact on my life and the lives of my children (Chris, Tony, & Angela)! I hate that the world is still in this pandemic which is keeping me quarantined with my Mom. My kids along with myself are so honored to be able to consider the Claud's our friends and family through Christ.

“ Any visit with Uncle Joe at some point there was always a “I love you Uncle Joe”, and “I love you too Sugar”...I'm gonna miss that, but so happy he is no longer in pain and is at peace in the Lord.
