“ To Phillip and all your family,  
I was so sorry to hear that your Mom had passed away. I am so glad I ran into you and your wife at Zaxby's and got to see her after I had retired from working for the State. I never knew all those years you were my neighbor that your Mom was one of my ole co-workers. I loved her dearly, she was a hard worker and I was blessed to know her. I loved her laugh and that little mischievous twinkle in her eyes.

“ Mrs Joetta was as sweet and loving woman I ever got to help. I bet she was a character at the State of Tn to work with. She always gave me a hug and a kiss every time I saw her(she even called me sugar bear). My secretary always laughed about when she and I had to travel to Nashville one time and we ended up sharing a single meal from Douglas Amoco(she got one of the pieces of fish) and we all joked around she was my girlfriend. What a sweetheart. I know she showed the same love and affection to her family. She will be missed.
