“ Uncle Joel has been a blessing through out my life. He taught me many things. He taught me to walk with Jesus. What more precious gift is there ? Uncle Joel and his precious wife Sue have always been there for me through all of the hills and valleys. Oh but we have been on the mountain top too! I just pray that when God calls me home that my children ,grandchildren, and friends can recall me in their memories as I will recall Joel in mine. Joel took my Dads place when Dad left. He did as he knew my Dad would want him to. Joel loved everyone. He was and is a family man. When he ever spoke of family I could just feel the love. I got that too! I have only one brother and one sister. Larry and Teresa I will love you forever. This goes for all my family members. Let us love our way through this world and then when our journey is over let us gather on that distant shore and love some more. Thank you Jesus for Uncle Joel. I will try my best to follow him for I know he has followed YOU.
