“ I just was thinking of people that I have met and liked over the years, so Jack Devalk came to my mind. I started looking him up, only to be sorried at the news of his passing. Jack hired me for a QC position with American Yard Products in Orangeburg, SC while I was still in college. I enjoyed working with Jack. I wish I had just though to look Jack up much earlier. However, I will pass on to his family how much he was liked. May the Lord bless you and keep you, and may your good memories of Jack last for eternity. James (Jim) H. Newman, Jr. Lexington, SC 12102016

“ To the DeValk Family, Please accept my condolences for your loss. Jack was one of the first people that I came to know and work with when I joined Electrolux in 1996. I'm happy to say that Jack truly was one of the finest people that I've had the pleasure of meeting thru all the years. I will always remember the passion and conviction he displayed in everything that he did. He also was one of the most generous persons that I've known, especially when it came to spending time to help the less fortunate. I will miss Jack as will many others, but I'm glad that I had the opportunity to know him. I'm sure that Jack will continue to be Jack as he touches others in heaven. Steve Lindquist Electrolux
