“ Our hearts break for the Hanks family. John was a powerful man of God! John and Val's dedication to the youth of our church (including our children) was just amazing. We have many memories of John. A specific memory for me was when I was attending college and had to keep Jerry awake for 24 hours so that he could have a test at the UofM hospital. John came right out and sent me to bed. He stayed all night keeping Jerry awake with games of Chess and of course silly stories. He was a true friend. We stopped by to see John and Val a few years ago in White House, TN. A call to join us for coffee ended up being a 4 day stay with them in their apartment. It was as if no time had passed since we last spent time together. "Friends are Friends forever when the Lord is the Friend of them" Love you, John and Hugs to you Val, Jason & Jeff and families.

“ At a concert with our youth group in Michigan John was in charge of taking photos. When we developed them all we had were picture of his big ears, he was holding the camera backwards!
