“ *R.I.P. Uncle John. Hardest loss Ive ever endured. Heartbroken. So many memories.. sitting in his workshop, learning how to use power-tools, wood working (measure twicecut once), wood carving, his beautiful garden, having family moviepopcorn nights in Gaylord to teaching me to hustle people at billiards. He even walked me down the aisle. Most special man in my life. Thank you for all you did. You're missed terribly. I love you beyond words can express.*
