“ *Darlene, You're in our prayers as we've just learned of your son's death. We are very sorry and praying that your strong faith and love for Jesus will comfort you at this sad, difficult time. We often hear and even say, "Our children shouldn't go before us, the parent," but we go when He calls, right Darlene? Love and miss you.*

Than you everyone that attended the Memorial Service, sent well wishes, made phone calls, or gave our family comfort and support during this time. We have been truly blessed to have so many people surrounding us with love and prayers. I think Johnny would have been amazed.
