“ *John came into our lives at a very difficult time and I am not sure if he knew what he was getting himself into. I know he had to think many times Lord what am I doing with this crazy family. Little did we know he would still our hearts and become our comforter and Dad to all of us. I truly believe that God gave us John to heal our pain and give John a family that would love and cherish him. My Mom was truly blessed with John and his loving heart, dedication to family and his sense of humor. I am sure he is in heaven talking to our dad and oh the stories they are sharing. John you won the marathon of life we will miss you every moment of every day. Thanks for being a wonderful Dad. I love and miss you, Lou.*

“ *John Mueller was one of the finest men I knew. He was generous at heart and a selfless person. Do you know how people say that person would give you the shirt off their back Well, I really believe he would do exactly that. He was humble and kind. I can say so much about him, but I believe this narrows down the highlights of his personality. Judy was his diamond! Oh, how he loved his Judy. He was very protective of her and they were together all the time. They volunteered together, laughed together and cried together. I am so thankful he found a family with Judy and her children and grandchildren. God knew what he was doing when he paired these two together. We will miss you John and don't you worry about Judy. There are enough folks to keep a close eye on that lady for you. We love you and till we meet again at the pearly gates of Heaven. Steven and Lisa Richardson*
