“ *I've had some good times with John. Especially when he and Ricky Hicks used to come to our house 35 years ago. Always lots of laughter! He will be dearly missed by many.*

“ *He was a great man, father, husband, grandfather, and much more. I have nothing but love and respect for John.. He was a the best grandfather I've ever had and he's not even my blood. One of my favorite things about him was that he told it like it was no matter what and to whom.. But my favorite thing about him, what makes me have such high respect for him was that he could carry such heavy burdens all the time yet never show anyone how some of it bothered him. He would only worry about u or his family never his self.. So selfless he was.. I want that to be what i ve learned from poppy. I want to be strong and selfless just as he was. I love u poppy and I will continue to keep my promise to u. No matter how heavy it may get.. Rest in peace*

“ I remember riding the school bus with John. He was always a quiet, and sweet guy that had a shy smile. We thought it was funny that our phone numbers were transposed and that we got calls for each other's family and could just tell the caller the number to dial instead of just saying it was the wrong number. I hate that we haven't seen each other in years, but the kids that rode the bus all the way from GoodlettsvilleMillersville to White House had lots of time to bond and we were a close group. John will always be part of those memories Prayers to Angie and his family. I know he will be missed.

“ I love you daddy, you will forever be in my heart and soul. Thank you for being the best dad and man that a girl could ever have. I know you will be watching over us and you were an angel on earth and I know you are one of the best angels in heaven
