“ So thankful that you turned into our driveway years ago to talk to my dad (who you didn't know) about an old car that he was outside working on. You didn't know that you had found your future daughter-in-law. Thank you for Jonathan and changing my life. You will always be on our minds and in our hearts. We love you and we will see you soon because life is but a vapor.

“ John was one of my best friends. We made a lot of fond memories with John and Brenda when we served together in the Air Force at Moody AFB. John was a friend that I could call on anytime for anything. You could always depend on a laugh from John, regardless of what we were doing, working on old cars, motorcycles or volkswagons. Each day at Wright's Trailer Park was a new excitement and a new memory whether it was getting run off the road or patching a hole in a car door, with John and Brenda, we all have a laugh. John and Brenda are true friends, which are hard to find.

“ *One of my fondest memories is the time he picked me up in Joelton in his bright yellow corvette and drove me down to spend a week or two with them in Collierville. Fun times. He was always kinda quiet to me but that trip was just me and him. And I remember him making me laugh the whole trip. He was one of a kind. He will be greatly missed.*

“ I will always miss my grandpa. I loved the times we went fishing together at Ebb's pond. When I would stay the night there he would always take me with him in the mornings to henretia for coffee and a biscuit. He always got a sausage and egg biscuit. He loved talking about hunting, fishing, tractors, and always cars. Pa was always fun to be with. We could spend the whole day talking in person or on the phone and never go anywhere and have more fun then pigs in a mud hole! I will miss him. Love you always Pa.
