“ I remember asking JT. "How many times has someone told you, that you are the best boss they have ever had." With a huge smile he answered, "No Comment." You weren't just the best boss ever, you were also a teacher, and a leader. Thank you for everything JT, wont ever forget you. With love, MI.

“ So very sorry to hear about John. While I only knew him briefly, he was always respectful and appreciative to me and of any work I did. I know he “had his moments” at work but he also had a good sense of humor. I still recall his reaction when I photoshopped his face on a large poster of the grinch for his coworkers to put on his office door. It was a good one. I know he will be greatly missed.
