“ Dear Family,
Our heartfelt thoughts and prayers continue to be with you at this time. We recall with wonderful joy worshipping together and sharing many good times of fellowship together.
I did not realize until I read the obituary that I knew daughters and grandchildren from years ago. Please know that I would have tried to touch base with you earlier had I realized that Mr. Tittle had been called home. We rejoice in the fact that he is with Jesus now, yet we will miss him here on earth. It is a blessing to know he is at rest and with his Saviour and Lord now.
With heartfelt sympathy,
Lisa D. Moser

“ Hey everyone. Sory I didn't make it to the funeral home, but I was sick with a sinus infection. I really wanted to be there. I loved Uncle Johnny and I love all the rest of you as well. I hope everyone is doing well since his passing, but now he is with his brother and his sisters again and we all know how that is.

“ I will always cherish the wonderful memories that I had with you Daddy! It's been a week now and I can't hardly believe it! I miss your smile and your kisses and you saying bushel and a peck ahhhh....good sugar when I kissed you! But I am happy that you are in heaven with all your family knowing that you are feeling good and keeping them all laughing all the time! I will never forget you and every thing you did for me and our family! And I know that you will be there to welcome us all when it comes our time! Until then but not yet! I love you forever and always! Your Kakie
