“ I am so blessed to have known and worked with Mr. Brooks during my time at Wright. I don't think anyone could have asked for a better leader - one of the best. I learned so much from him and am thankful for the time spent working with him. More than a mentor - but also a friend. He will no doubt be missed.

“ Johnny was a special friend and classmate. He stopped by my house and gave me a ride to football practice on his Cushman Scooter when we started fall practice. We sat with each other on Greyhound buses when we went to away games. In one game while Johnny and I were on defense, I tipped the football as it was being thrown by the opposing quarterback, Johnny caught the ball and scored a touchdown! I was fortunate to have been in the class with Johnny. His children are fortunate to have had him as their Dad. RIP Johnny. Earl Wooden (aka Doug)
