“ It is with sadness to hear of Johnny's passing. We had the privilege of working for Johnny in Omaha. He was one of the most caring and honest persons I had the pleasure to have known. He always had a kind word and took the time to share his wisdom and encouragement. My wife and I think of him often and he will always be in our hearts. Bob and Laura

“ To Bert - I was so shocked and saddened to see John's obituary in the Mountain Press today. John was such a good boss and friend to me and I have missed him more often than I can say. I think of the many stories he would tell me and him calling me "kid". Joseph and I are disappointed that we cannot be with you to express our sadness and to share stories and a few laughs, remembering John together. I hope that we will see you some time in the future and know that whenever you are in the area that we would love to see you. Best - Deb Logsdon

“ Coach,
I'm praying for you and your family in your time of hurting. Your Dad was one of the sweetest, humblest, and nicest guys I have ever met. I loved getting to talk with him on the bus on the way to many football games. If you need anything, please let me know. I pray that you and your family will find the strength, comfort, and peace you need through Christ.
Love ya Coach, Neva

“ Matt and family, Terry and I are truly saddened to hear of John's passing. He was a kind and generous man who was always supportive of my family. When Phillip was little, John used to slip me a few bucks every Christmas and tell me to anonymously buy him a gift. He always made a point to seek Adam out after a G-P game and shake his hand and offer him words of encouragement. Years after Adam graduated and we talk about G-P football, he would always ask if I had seen your dad. Even though James played for Cosby instead of G-P, John would always ask about him too. He was a good man who truly touched our lives.

“ I came to know John after I came to the Sevier County Sheriffs Office in 1997. He was a great FBI Agent and a well respected law enforcement officer. He did a great job at Walters State and helped many Law Enforcers get a good education there, many of which are now in charge of their departments. He was in life a contributor to the good of all and he will long be remembered for his many contribution to law enforcement. In sevier County and the 4th Judicial District he was in charge of the Drug Task Force and it operated exceptionally well and did a lot of great work in keeping drugs off the street. Gods Speed to you John and may God comfort your family in this time of sorrow. Take heart in the fact that we shall all meet again at an appointed day in the future in Gods heaven.
