“ Johnny was one of the first people I met when I moved to Springfield in 1992. We did a little business with each other over the years. I remember when I first met him I immediately developed a deep respect for him. Over the years we became good friends that would occasionally have breakfast or lunch at Larry's or some other cafe in town. To me he was always a man of his word. I will miss him tremendously and will look forward to the day where we once again will meet up for a long conversation and maybe a great cup of coffee. Thank you for everything you taught me over the years.
