“*Jonquil is my closests cousin on my mom's side of the family. My mother Kyla died of Lymphoma at 59 and she was the caretaker of our grandmother Ida Kelly who was 99 yrs old. When Kyla died the caretaker role for Ida became something that Jonquil and I shared. When Ida's time of passing came close Jonquil and I traveled to Middlesboro, KY to see Granny. We spent days together loving on Ida and each other. We called Ida's pastor at Noetown Baptist Church to tell them that Ida's time was near. Pastor and his wife showed up to pray with us and Ida. I'll never forget it. Pastor's wife began singing Amazing Grace and soon all the nurses and aides in the nursing home came to sing Ida off to glory. It was such a gift that Jonquil and I could hold our grandmother's hand as she took her last breath as Amazing Grace filled the air. Amazing Grace indeed. I love you Jonquil.*

“ I had the privilege of meeting Jonquil through Artie 15 years ago. I was so touched by the love in her voice and in her words. We traveled through so many hard times together offering love and support when needed. I was so happy when she met and married Lance. She so deserved to find a love like theirs. And although our friendship came to be because of Artie, we remained friends after their separation. I prayed every day for Jonquil and now I will pray that she is with the Lord she loved so much. I know she will ask her God to watch over her mother until they are together again for she loved her so. Leaving Lance is probably the hardest thing she ever had to do for she waited so long for a love like his. From her FaceBook, I'm sure her friends are as devastated as I am. Jonquil was a one-of-a-kind friend and will be missed forever. May we all find peace in knowing Jonquil is with her Daddy and waiting for everyone else to join her in heaven. Rest well my friend.
