“ Jordan and i worked at ihop together. We became such good friends. He was always there when I needed him no matter the time place or the weather. We use to be inseparable. Even after he stopped working at ihop he stayed in touch with me. Last Friday and Saturday he sat with me at work to keep me company. I'm truly heartbroken and the tears keep falling!!! Jordan i will always love you!!!! God had other plans but that don't stop the heartache...

“ Jordan and I were best friends in middle school, very saddened to hear of his passing. Even at a young age, Jordan had the biggest heart and loved to make people laugh. Praying for his family during this tough time.
