“ I didn't know Joseph for very long but now feel I didn't know him long enough. We had a working relationship, him putting music to my lyrics for three songs. He did a fantastic job. I had many more lyrics and we were so excited to be working together on all of them. He passed away suddenly just as we were getting ready to do the final demos. We happily spoke on the phone often about our venture of music along with other interesting topics. We met by chance on the phone but I never got to meet him in person since I live in Los Angeles. I really miss him and I'm so sorry we won't be able to continue our journey in music together. Joseph, may you rest in peace.

“ I am sincerely so sorry for our loss. I haven't seen my cousin Joe for many years, but remember him as a sweet fun loving character. Grannie kept me updated on him and he sure made her laugh. That is a gift!! I know he is entertaining her and all the rest in heaven.
Love Ya'll,
Connie
