“ Aunt Josie always made sure my babies had gifts in the thin times, helped talk me out of smoking, and was the inspiration behind me learning to bake when I got married and settled down. She was always so fashion forward and looked so pretty. My son was born she went and made sure he had everything he would need. I will always make bread pudding, and hot water corn meal and think of her. She is an angel and now she is with the rest of the angels keeping watch. Love you always Aunt Josie.
