“ I am deeply saddened to just now find out about Josh, we worked together off and on for the past 12 yrs with Lloyd . Josh was a friend that I will always cherish for knowing and will never forget , I remember like it was yesterday I seen him even though it's been at least a year or so. I'll never forget his smile and outgoing personality that would light up a room he was also a friend who would give his shirt off his back to someone in need. My friend you may be gone but never forgotten..... Prayers to Joshs family
