“ How would I ever know that on my first date with Ashley you would have to show up and borrow a cup of sugar even though you were diabetic. I wondered if I should run as fast as I could or see what happened. Turns out I stuck it out and here I am years later and ended up with the best mother in law I could ever ask for. Thank you for sharing your son with me and always smiling at me and welcoming me in your heart you go and enjoy all the sugar you want sweet mamma. I love you mom

“ Joyce was my run around and taking her to the doctor but now every time we went out she had to eat I had to plan on that because I knew i would never get her back home unless I took her out to eat. it was always so funny. She was my late son, Derek best friend. They had many many fun times and visited her sisters in Springfield. I will miss u forever Joyce. Luv u. Roe
