Oh how Joyce could light up a room with her beautiful smile! Such a lady at all times. I will miss seeing her at Vantage Point and will forever be grateful for the friendship and love she had with my sister, Janet Murray. Hope they have already met in heaven and continuing their friendship. Love and sympathy to all her family. I have seen how much you loved her by all the time you shared with her. God bless you and comfort you. Patrice Tracey

“ Joyce was such a wonderful lady! I so admired her for so many reasons. A great mother and woman of faith were just two of them. She taught me a lot about faith and the difference you could make by caring and praying for others. Joey and I loved her so much. She will be missed but LJ is surely dancing to be back with his "Queen".

Joyce Johnson was at every birthday party I had until I was 8, then she was 11. She was very tolerant of me for 6 or 7 more years then all of a sudden we were friends again. She married at a very young age and loved that City Slicker, LJ MATLOCK! He adored Joyce and she did him! Delightful memories.....
