“ *Why? Why are the innocent punished? Why the pain? There aren't any promises, nothing certain. Only that some get called & some get saved. She won't ever know the hardship & grief of those of us left behind. We commit her body to the void with a glad heart. For within each seed, there is the promise of a flower. And within each death, no matter how small, there is always a new life, a new beginning.*”
Thank you for everything you taught me when I was younger. You opened a door for me & I hope to see you on the other side some day.
