“ I remember always wanting to to your house because you had a pool and I had so much fun! I always listened to your records. “Me and little Andy” and “God Bless the USA” were a couple of my favorites. And of course Alabama! You will be greatly missed! I love you aunt Judy, RIP. ❤️

Judy was a big part of my life for many years and after she and John Larry divorced I didn't see her much. She loved these girls and grandbabies. She wasn't perfect but who is ? I loved her and will see her again in Heaven some day
The world is minus one beautiful lady but she is not forgotten. Corrine
You have our prays and condolences. Love Aunt Corrine. Uncle John
