“ I am Shirey Yarber and Judy is a first cousin. I live in Vaparaiso Indiana. She always had a precious smile and a loving heart. We got close to her when she had her horses and we had horses. She loved telling you about them. She was good at what she did. A great loving woman. I have laughed and said if she had met my husband before me they would have been a match because of the love of horses.

*She is going to be missed. Loved this woman. Rest in peace sweetheart.*

“ I will always remember my aunt Judy and the summers we would spend at her house visiting with family. She was so loving and caring- my favorite memories with her involved riding her horses and eating the homemade ice cream she would make for us. She surely loved her family and we loved her. I will miss you Aunt Judy but I am so glad you are at peace with your daughter, momma, daddy, and brother.
