“ Mrs. Stanley was my teacher and she was not your average teacher! She went above & beyond for her students! I became a teen parent in high school and I felt my life was over! Mrs. Stanley wouldn't let me give up and she treated me the same and made sure I knew I could still do everything I dreamed of! Heaven has definitely gain an Angel! Rest in Paradise Mrs. Stanley! Always, Tiffany Williams Greathouse!

“ Judy was an all loving and beautiful person. Judy would always encourage you to find your inner strength and help navigate you to achieve your goals. She will forever be in my mind as one of my favorite teachers that taught me about “how to be me and be comfortable doing so”. Thank you for building my character to teach others to do the same. My thoughts are with the family through this difficult journey without you in physical form, but always there in spirit still guiding them along. Much respect and love to you all.

“ Oh, the memories I have of J-Dawg. Lullaby Bell! She was by far the best teacher and mentor in my life! Never forget her calling me to pick her up at the CO-OP to take her to school or getting up on the roof to throw a banner off the front of the school! I could go on and on! I will really miss my Stanley! Love you Judy!!

“ Judy really added a special spark to our family gatherings. I will miss her silliness and jokes.. she would never fail to put a smile on your face. She was such a delight to be around and she will be greatly missed. I know she’s spreading her joy in heaven and people are so glad she’s there to make them laugh again. I pray peace and comfort for you all during this difficult time. Love you all.
