

Julie Heath

May 12, 1954 - September 20, 2017

Julie Lynn Miller Heath, May 12, 1954 – September 20, 2017.

Our precious Julie has left us in this world and gone to Heaven to be with the loved ones who have made the journey ahead of her. She was preceded in this journey by her beloved grandparents Anne and Jimmy Hutchison, her step-father, Ed Chauvin, and her sister, Rose Platt.

She is survived by husband, Bill; daughter, Maria; mother, Sara Chauvin; and sisters, Lisa Patton, LuAnn Walker, and Patsy Jones. She is also survived by step-son, Ronnie Heath and family and nephew, Adam Clark and family.

Julie was a unique and special person, and she touched many lives. She was the epitome of the word “Selfless”. She literally put the feelings of others before her own. She loved babies, wildflowers, hummingbirds, sunrises and sunsets, full moons, hiking in the woods and walks on the beach.

We would like to express our gratitude to all who had kind thoughts and prayers for Julie during her three-year battle with cancer. We especially want to thank Dr. Waleed Khalaf and his entire staff (Julie’s Angels!) for their loving and tender care. She loved you more than you can imagine. We also want to thank our ESa family who has been supportive in every way possible.

We would like to invite those who knew and loved Julie to an Informal Gathering of Remembrance and Final Goodbyes at Austin and Bell Funeral Home in Pleasant View on Saturday, September 30, 2017 from 2o’clock pm until 5o’clock pm.

In lieu of flowers, please donate to Walden’s puddle or animal shelter of your

“ I met Julie through my dear, precious friend Sara, Julie's mother. Julie's sister, Lou Ann, was kind enough to allow me to share several Easters with her family at her house. I didn't know Julie well, but remember that she was always positive, upbeat, outgoing, and very friendly. She always had a smile on her face and I could tell that she loved her family deeply. I will truly miss her in the years to come.

“ *My pookie was the most selfless, caring, loving and beautiful person imaginable. She has the ability to make an impact on everyone she met. She made them feel so loved. I'm so fortunate to have had the past 26 years with her and I'm so fortunate that I have her common sense, love, strength and courage. She is always here. Her love is always here. Pookie you are my sunshine.*

“ Julie was exceptional. Unlike anyone else I have ever met. I was fortunate enough to know and care for Julie for the past 21 months. I wish I could have known her longer. She could light up a room simply by walking in it, she was a bright light and the world needed more of her. She was kind, caring, full of life, generous, funny, considerate and selfless. She was not just a patient. She was a friend. To everyone in our office. She loved to cook and I believe one of her love languages was being a servant to others. On her chemotherapy days, when most patients have anticipatory anxiety and nausea and dread the long day ahead of them, she was up cooking in her kitchen for the office staff. Oh the food she prepared for us. I just know she added heaping servings of love and gratitude into the delicious things she brought to the office for us. She was a fiercely independent, strong woman who never complained. Her eyes would sparkle when she spoke of her family. She celebrated others and their success, she was friendly and she was loving. Our entire office would look forward to her visits and I am exceedingly grateful to have been able to sit and talk with her during her chemotherapy treatments while getting to know her. She will be remembered always and missed dearly. I loved Julie and am so very thankful for having the gift of knowing her.
