I was so excited to hear that you we're coming back to work this week & then within 48 hours you were gone. I couldn't believe the news. You brought so much joy & laughter to our work place. I was always so happy when I checked the schedule & saw that you were going to be on my shift. We always did Sunday mornings together & laughed so much. I learned so much about you & from you. One thing was very apparent, that was the love you had for your kids & your 2 precious grand babies. I know they'll miss you dearly, like we all will! I'll sign this as Boss Lady since that's what you always called me because you couldn't say my name!! RIP my sweet friend!
