“ *Jessica, My thoughts and prayers are with you and your family. You have taken such wonderful care of your mom. I know there will be times when you think you have to hurry home to get back to her bedside, then realize she's no longer there. Your family is so precious, I know your mother's passing will leave a empty spot in everyone's heart. Thanks for all the love and support you have given me, I hope you receive the same at this sad time. Love, Jana*

“ My deepest sympathy goes out to Karens family. I haven't seen her in many years but have recently been in touch with Jennifer. I remember Karen driving our school bus and seeing her when I visited her sister at her Mom's house. She was a sweet lady and I'm sure will be missed by many.

“ So sorry to hear of your mom's passing, she was always a very sweet woman anytime I saw her. She always welcomed her children's friends into her home and made us feel like we were part of family. She will be an angel watching over your whole family..may the comfort of friends and family be with each one of you at this time of saddness.... Bonnie Harvey (Reiter) and family

“ Dear Jessica and Family, I noted the obituary for Karen in the Tennessean today (11-25). The last time I saw her was when she came to my office for an EMG and at that time appeared to be doing pretty well. Thus, I was very disheartened and sad to see that she has passed away. Please accept my and Stasia's sympathy. She had many wonderful qualities and the world is certainly a lesser place without her. My prayers are with you.
