“ *I worked with Kary at Peterbilt and I learned early on that he Loved everybody and would help you with anything you needed at work at your home. A very good Friend and Brother I will miss talking with him. He always was happy every day not matter what was going on in the World that shows how much he loved God. He told me many times that not too worry about him because he was going to Heaven to be with the One who saved him. I know I will see my Friend in Heaven One Day don't you want to go it's your choice. Please Hear the Word of God and Believe with your Heart not your mind . Thank You Jesus Who Made It All Possible*
