“ Kay and I worked together at Nashville Memorial Hospital when I was in my early twenties. She was such an inspiration to me. I always told her “I want to grow up and be just like you.” I always admire her faith in God, her marriage to Paul, her parenting of Jeffery, and her style of fashion. She is the reason I started golfing and joined the Country Club. I know she is smiling down from heaven at us. My thoughts and prayers are with her family and friends. She will truly be missed.

“ Kay was a dear sweet friend & awesome golfer. We had so many good times together playing golf & cards. My favorite memory of her is when Diana's phone was driving her nuts & she said how do I make this thing stop. Kay said “turn it off” We laughed a lot. I sure do miss her. Debi Jones
