“ Really sad to hear of this news. Ms. Proctor was the BEST bus driver ever! Its been a good 25-30 years now but I remember her letting us bring our "boom box" (thats what we called them back in the day) on the bus, complete with our 6 D cell batteries and letting us jam and dance in the aisle. She made the ride home so much fun and didn't fret over the small things. Later, she drove both my children to school. Man how time flies. Thoughts and prayers are with the family. A truly good and beautiful woman has been taken far too soon. RIP Ms. Proctor. May you dance with the angels in heaven like you allowed us to do on the aisles of your bus. <3
