“ *I remember Keenan coming into the Piggly Wiggly with his Grandma when he was about two when I worked there. And they had a big chicken set up in the front of the store for the kids that would Cackle and lay a egg with some sort of prize in them. I'd hear that darn chicken cackling and Keenan squeeling with delight when he'd get his egg. Then he'd come running through the store Hollering Lele looking for me... Keenan always knew how to make you smile. Love him so much*
