“ Keith was my neighbor and very good friend. Keith took care of my service dog when I had hip replacement surgery Cody fell in love with Keith .

Keith was a special friend we did things together visited every day, sitting on the porch watching birds and the changes in the sky. Keith shared a lot of things with me.

Keith was more like a brother that I never had.

He will be missed by everyone who knew him. May God bless the entire family and his friends.
