“ Keith, and the entire family, is such a familiar part of our life "memories of summer and sports with our grandchildren". So many days and nights spent at the ball fields as well as on the bleachers in countless places during basketball. We will always remember him as such a positive influence on those kids, whether it was as a coach or as a spectator who took time to encourage Lexi and others. Our prayers are with you all. “ Cute kid from the time he started school - His parents raised 2 exceptional kids. Randall and Keith. Both went to school with my boys - played ball with them, etc. Both always acted with dignity and demonstrated their good "raising"! We will remember Keith as the truly great friend/husband/father/son that he was - praying for family members. sincerely Ruby Shearon

“ All the years I'd see you at the bank. I'd always have a joke for you. You'd laugh your laugh, point your finger at me and with a grin, say "girl...you ain't right"! I'm going to miss seeing and telling you jokes. I'll miss your laugh and smile. My heart is heavy for your family. I know God will see then through. You are missed by so many Keith.

“ Patti, I am so sorry for your lost and want to reach out to you letting you know you and your children are in my heart. I wish I could say something to make it better. I still have my own days of missing my wife Cathy who went to be with the lord on December 14 1992 and left me with a 14 month old daughter and 9 year old step daughter who lost her real daddy a few years before. You know what I went through before my adoption and I have endured lots and did it through our lord and savior with the raising I received by Uncle Ham & Aunt Marie with Judy & Phil always there for their teaching me that God can get you through ANYTHING no matter what life throws at you. I am here for you if ever you just need a shoulder or just an ear. Love You Charlie (Wayne Felts)

“ I loved working at Flexible whips in the front office. I would see Keith pull up to come back from lunch and I would always hide inside the door and jump out and try to scare him but it never worked he would just smile real big and say girl i'm gonna get you. He was that kind of person always like to cut up . I will always cherish those great times.
