“ My heart is very sad my wonderful friend and co-worker has been taken from us. So young, so happy, so proud of her family. She had just began her next phase of her life with Larry with all the children grown. She so embraced that with love.
I will miss you Kelley very much! I will forever keep your smile and memories alive in me. My heart and love goes out to all your family and friends left behind. I know your watching over everyone and will help them through, as no words can explain the pain they are going through. Love Forever!

“ My deepest sympathies to the entire family. The entire Brockmeyer family is like a second family to me. Kelley and I grew up together since we lived right across the street from one another. Heather had given me my nick name thru high school since she couldn't say Amy. She called me "mee mee" and it stuck. I've spent the last couple of days going down memory lane with all the things we used to do. It seems so unreal! Rest in Peace my dear friend! You will be missed!

“ Another great lady has been taken so soon. God has called on for Kelley to be his Angel. I still can not believe you are no longer here. You will be greatly missed by many. To the Brown Family: Keep your heads up, keep the memories alive, and embrace the love you guys have for one another, as it will help at this time of sadness. She will be watching down on you and keeping you guys on solid ground. There are no words to explain the pain you have to deal with, but just know that it will eventually turn into Lovely memories, and moments that made you Smile!! Love you and you will be forever in my thoughts.
