“ Mike and Carol were such a positive influence in both Pam and my life while we lead a Sunday School class at then Tir-County Baptist Church. Even beyond the class we became close friends and shared a lot of great times in the Lord. Mike was for the most part very quiet in large groups but one on one was a brother who desired to know Him in a real way. I really enjoyed our talks - and yes he was an expert mechanic always willing to use his talent to help others. One of the most impressive things about Mike was his integrity - in his work, his family life and his relationship with his Lord - he would always seek to do what was right and I believe what would bring his Lord honor and glory. Mike was truly a brother in the Lord - what more could you ask. Our prayers will continue with you Carol and family as God brings you comfort but also fond loving memories of your wonderful husband - he knew he had the wife that God intended for him to have in you Carol.
